

A portrait of actor Bae Yong Joon. He is smiling broadly, wearing orange-rimmed glasses, a white dress shirt, a grey tie, and a light-colored blazer. His right hand is raised to his ear. The background is a plain, light grey.

**BAE YONG JOON**

Don't they say while all other stars move around in the night sky,

Polaris always keeps its place? People may leave you, but if I keep  
my place next to you, would you be able to hold on and not get lost?

*BYJ Gallery*

There's something very special to his act,  
which is almost mesmerizing.

It's not to pass? People may leave you, but I'll keep  
you in my heart.

**BYJ doesn't want to stay with one type.**  
He always seeks challenges.

**BYJ's warm smile and tenderness...**  
Everything about him has his own flavor.

Don't they say while all other stars move around in the night sky, Polaris always keeps its place? People may leave you, but I'll keep my place next to you, would be able to hold on and not get lost? -from Winter Sonata

**BYJ Never stops.**  
He always comes to us in new ways.

Don't they say while all other stars move around in the night sky, Polaris always keeps its place? People may leave you, but I'll keep my place next to you, would be able to hold on and not get lost from the star. Sozuka
